23rd Annual
FULL FRAME DOCUMENTARY FILM FESTIVAL

2020 SPONSOR REPORT
Thank you for sponsoring the Full Frame Documentary Film Festival.

The outpouring of support in light of the news that our 23rd annual festival was canceled has truly been overwhelming.

We are especially fortunate for our Full Frame sponsors, who stood by the festival as we transitioned to an online event.

The virtual festival’s success was undoubtedly buoyed by your support, allowing Full Frame to provide a selection of the 2020 films to our audience at no charge, while also compensating filmmakers for their work.

Thank you for helping us to move our mission forward.

– The Full Frame Team
Full Frame serves the documentary form and its community by showcasing the contemporary work of established and emerging filmmakers.

The festival provides a space that nurtures conversation between artists, students, and the Full Frame audience.

Full Frame is committed to enhancing public understanding and appreciation of the art form and its significance, while making films more accessible to a wider audience.
